Thanks for choosing Falbo Bros! Here at Falbo's, which opened in Dubuque in 2005, pizza and patrons are top priority. From our unique pizza recipe to the hospitality our customer receives, Falbo Bros. offers a distinctive pizzeria experience.

Before they try our pizza, people always ask us, "What is your pizza like? Is it Chicago style? New York style?" The answer is ... neither! Our pizza is unique. We have taken inspiration from New York style thin crust pizza, Chicago style deep dish and stuffed pizza and created our own style.

Falbo's adheres to the philosophy "oldie but goodie." That's why we prepare and bake our pizzas the old-fashioned way. The crust is hand rolled, using dough made fresh every few hours. Our made-from-scratch signature sauce is created daily, and the award-winning mozzarella is grated by hand for that fresh-off-the-block taste. Falbo's notable sausage is made in-house and cut by our own staff. Falbo's wants to create the best pizza possible, that's why we pile on our quality cheese and toppings... skimping is for the other guys!

We know the value of a dollar. That's why every dollar you spend at Falbo's will go towards remarkable mouth watering pizza you will love. Cheap pizza tastes cheap. The lowest price means the lowest quality, so save your money and enjoy the unique flavor of Falbo Bros. Pizza!
